

# Viewpoint MFA Enrolment

From **31 July 2023** Multi-Factor Authentication (MFA) will be enabled on **Viewpoint** and **Field View** and will be mandatory for signing into the system going forwards. This will require you to use a mobile device when signing in to approve the sign in, please see below guidance on how to enrol once this is enabled.

**Step 1** – Login with your normal Viewpoint Credentials and click Enable on the below popup.

Multi-Factor Authentication required

To access this Enterprise, you have to enable Multi-Factor Authentication for your Profile.

Multi-Factor Authentication required for:

\* Morgan Sindall Group / \* Infrastructure - Rail & Highways / \*\*Rail 4Project Training Area / Demo Project

ENABLE
